

DAY  
1

# CORITY CONNECT

March 3 + 4 | 10 am - 4 pm EST | Virtual

- |          |  |   |
|----------|--|---|
| 10:00 am | Welcome to Cority Connect                              | Welcome to #CoriCon21! Intro of the day's events, how to navigate through virtual platform + overview of Cority's developments from 2020.<br><b>Presented by: Stephen Molen, Chief Revenue Officer, Cority</b>  |
| 10:15 am | A New Vision for EHS                                   | Cority's CEO Mark Wallace collaborates with Verdantix' CEO, David Metcalfe, to discuss global trends and share our exciting new vision for the future of EHS<br><b>Presented by: Mark Wallace, CEO, Cority</b><br><b>David Metcalfe, CEO, Verdantix</b>   |
| 10:45 am | Cority's New Product Announcement                      | You won't want to miss the breaking news as Cority launches its groundbreaking unified-experience platform that brings together the broadest and deepest EHS capabilities, including the most powerful analytics in the industry, CorAnalytics.<br><b>Presented by: Michael Couture, Chief Product Officer, Cority</b><br><b>Amanda Smith, VP Solutions Marketing, Cority</b>   |
| 11:20 am | Feature Keynote:<br>Safety is Everyone's Job           | Join us as we welcome NASA Astronaut, NYT Best Selling Author and Media Personality, Mike Massimino! Mike will captivate you with his thought-provoking session on resilience through times of uncertainty, working (very) remotely, and true leadership in the face of adversity and crisis.<br><b>Presented by: Mike Massimino</b>  |
| 1:00 pm  | Rolling out a Global EHS Program                       | Learn how one specific customer is rolling out Cority's Waste solution to more than 40 sites worldwide and bringing immediate and tangible cost savings, reducing risk and ensuring compliance with Cority's Environmental Cloud.<br><b>Presented by: Shell</b>   |
| 1:40 pm  | How EHS Software can Drive Your Digital Transformation | So, you've implemented Cority and now you're thinking...what's next? In addition to incremental improvements, how can your solution help to transform your organization and drive better performance? Join us for a glimpse into the future from our product leaders and gain insight into opportunities for expanding your use of Cority for a better tomorrow.<br><b>Presented by: Atish Ghosh, Chief Technology Officer, Cority</b><br><b>John Easton, VP Product Management, Cority</b> |
| 2:30 pm  | Lessons from the Pros                                  | Hear from pioneering Cority customers on how they influenced the Cority Roadmap and empowered better performance with Cority's new data visualization and analytics solutions – CorAnalytics<br><b>Presented by: Walmart</b>  |
| 3:00 pm  | Making your EHS Program Resilient                      | An in-depth exploration and best practice training for improving processes and quality of life through implementing faster, stronger solutions in 2021.<br><b>Presented by: Arcadis</b>   |
| 3:30pm   | Cority's EHSQ Awards                                   | Cority Connect 2021 award winners & customer recognition session. Stay tuned for a summary of the day's events + what's ahead for Day 2!  |
